

Construction Law

Our construction law team has successfully negotiated construction agreements and litigated construction disputes in domestic and international jurisdictions for decades. In each matter, we take an aggressive but problem-solving approach to achieve favorable results with our clients' goals in mind.

We understand the industry — inside and out.

Our Competitive Edge

Recognized for client service excellence by *Chambers USA*

Dedicated construction lawyers with complex, mega project experience

Nationwide reach — we've represented clients in 48 U.S. states

Collaborative, results-driven attorneys who regularly work with colleagues across practices and disciplines
